PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 12/17/2018.

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number Nature of Noncompliance

4 **Special Condition #20:** You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: Ms. Rhodes was in direct violation of special condition number 20 by failing to submit to urinalysis testing on December 11 and 13, 2018. She also admitted to using heroin on December 11, 2018. She signed a drug use admission form for illegal drug use.

On March 29, 2018, Ms. Rhodes was given a copy of her judgment and her conditions of supervision were explained to her. She reported she understood each condition.

On December 10, 2018, the undersigned officer instructed Ms. Rhodes to call Pioneer Human Services urine testing hotline. If the color BROWN 2 was called, she was to report

to Pioneer Humans Services and supply a urine sample. On December 11 and 13, 2018, the color BROWN 2 was called and Ms. Rhodes failed to supply a urine sample.

On December 14, 2018, she reported to the United States Probation Office. This officer questioned Ms. Rhodes regarding the missed urine samples. She forgot to start calling for her color. Ms. Rhodes was very honest with this officer and stated she used a small amount of heroin on December 11, 2018.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
